

February 11, 2021

Dear Residents, Families and Team Members of Friends Village at Woodstown,

According to the guidance of the NJ Department of Health and given our test results within the past few weeks, the testing schedule at Friends Village will be changing as of the week of February 13th:

Only UNVACCINATED TEAM MEMBERS (with an approved exemption) will test twice a week on the following schedule:

- Every Tuesday from 11am to 12pm in the Hancock Conference Room AND
- Every Thursday at 11am to 12pm in the Hancock Conference Room

NEW: Team members and residents will be notified if they have had close contact with someone testing positive. In this situation, you will be asked to test on this same schedule, regardless of your vaccination status.

PLEASE NOTE: If you are a resident in need of a PCR COVID test for any prescheduled procedures, please call Tara Cox at 856-769-1500 at least two days before you require the result and she will arrange a time for you to come in to test.

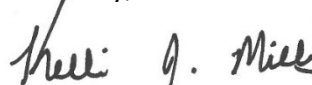

Unscheduled visitation is still permitted, but please be aware that despite everyone's reasonable efforts to mitigate the risk of exposure to COVID-19, you may still be exposed to COVID-19. If you are diagnosed with COVID-19, or exhibit any symptoms of COVID-19, within 14 days of a visit, please notify Tara Cox, Infection Preventionist, at 856-769-1500 or tcx@friendsvillage.org.

We ask that our residents, team members and visitors do all that they can to stop the spread by following CDC recommendations:

- Social distancing and wearing a mask when in public/staying home if possible.
- Washing hands for 20 seconds with soap and water.
- Self-isolating if showing any signs or symptoms of COVID-19.
- Seeking medical assistance as necessary.
- Getting vaccinated or getting your booster if you are eligible.

Please be assured, Friends Village is following all guidance of the State and Federal Regulatory Agencies. If you have any questions or concerns, please contact me at 856-769-1500.

Sincerely,

Kelli J. Mills

Executive Director
